9<sup>th</sup> March 2009

Dear Parents

### **Comic Relief Friday 13th March**

Student Council have requested, and I have agreed, that the school support the Comic Relief Fund-raising activities on Friday 13<sup>th</sup> March 2009, by holding a non-uniform day, including wearing something red for which students will each donate £1.00. Student Council representatives have also asked that some students may be allowed to wear 'something funny' as suggested in the national media campaign for Comic Relief. Students have also asked if their hair can be coloured. **I am happy to approve these requests as long as students' dress and presentation does not offend normal standards of decency and does not prevent students or others from working safely in school during the day. Any hair colouring used for the occasion must be of the 'wash out' variety, and applied at home before coming to school. Specifically students must not bring any sprays or littering hazards into school.**

The school timetable for the day will run as normal, but I know that some groups of students have organised activities during break-time, lunch-time and after school; events that I hope you will allow your child to support and in which you too may wish to participate. For example Year 9 students are organising a carwash after school on Friday 13<sup>th</sup> and also from Monday 16<sup>th</sup> to Wednesday 18<sup>th</sup> March. Please see the website for details.

In addition, the Harrow Way Community School Association is holding a 'Red Nose Bingo' event in the evening, beginning at 7.00 pm to which you and your family are warmly invited. These events are always great fun and for some lucky winners, profitable too! Again, all details are available on the website and on a flier which will be brought home by your child.

Thank you, as always, for your support.

Yours sincerely
