

# Time to Talk

## Bookable Consultation Sessions

2012/2013

Hampshire Educational Psychology Service

Winchester and Test Valley

Eastleigh and New Forest

Areas Only

### Students

Would you like to discuss:-

- Problems at home?
- Issues you may have at school?
- Your concerns or worries?

The Education Psychology Team is offering consultation sessions with two psychologists to discuss your concerns, help you to be clear about any problems and help you think about what (or who) might help or possible steps to help things improve.

You can come alone, or with a friend or family member, or if it's a school related issue it may help to invite a member of school staff.

To book your consultation session please telephone

Beverley Torkington on 01962 876233
