

"The Young Voice of Hampshire Museums"

‘Tell me and I’ll forget; show me and I may remember; involve me and I’ll understand’

The EDGE Project and the Discarded Nut Theatre Company present a unique opportunity for young people to become involved in a professional performance within Hampshire throughout 2011.

The project is incorporating various themes and ideas and we are looking for people between the ages of 14-24 who wish to gain experience, new skills and be part of something amazing.

We want to hear from musicians, drama students, performers - as well as young people who would be interested in learning other skills, such as script writing, costume design, Magic & Illusion.

All we are asking for is dedication and commitment. This is a professional production, with no cost involved to the Young Person but will be continuing throughout the whole of 2011.

Launch day, 30th April, 2-4 at Milestones Museum, Basingstoke.

Rehearsal dates are every Tues Night, starting the 3rd May-12th July (10 weeks) 6-8pm

Then again from Sept, every Tues eve, 13th Sept-22nd Nov 6-8pm

The performances will be the week beginning the 26th Nov 2011

The rehearsals will take place in both Basingstoke & Winchester - however we are looking for young people throughout Hampshire - travel can be covered.
