YOUR EXCELLENT IMPROVEMENT IN KEY STAGE 4 RESULTS

Dear Mr Michael Serridge

It gives me great pleasure to congratulate you on the excellent improvement in GCSE and equivalent results for your school over each of the last three years, from 2012 to 2014.

Your school has proven to be one of the top 90 non-selective state funded schools in England showing the greatest sustained improvement in the percentage of pupils achieving five or more A*-C grade GCSEs (or equivalent), including English and mathematics GCSEs.

I would like to congratulate your staff, governors and pupils for their hard work and success. My thanks also to you personally and to your leadership team for continuing the drive towards the highest standards of educational achievement.

Yours sincerely,

David Laws MP

Getting the balance right

We believe that school should do more than just helping young people to achieve good grades at GCSE. We encourage our young people to be:

- Kind
- Thoughtful
- Considerate
- Responsible
- Courteous

Ofsted March 2017

“

Students behave well and their attitudes to learning are positive.

Students are courteous, polite and respectful to each other as well as to teachers and to visitors.

Harrow Way Curriculum

‘Exceptional’

“

You have effectively reviewed and revised the curriculum based on your firm principles to enable pupils to achieve their potential and to provide clear progression routes to post-16 opportunities. You have made changes to support more pupils to achieve the highest standards they can in GCSE examinations.

“

Teachers have high expectations of pupils to work hard and achieve the best that they can. Pupils appreciate that teachers make lessons enjoyable and plan work to challenge all pupils in the class.

Teachers are provided with detailed information on every pupil and use it effectively to plan lessons with the right level of support and challenge. Consequently, teachers know their pupils individually and use a wide range of specific strategies to extend their learning.

”

Guidance and support

“

“Students feel very safe at school. They say that bullying is rare and any incidents are dealt with quickly and effectively by staff. Students are very knowledgeable about the different forms that bullying can take including cyber, racist and homophobic bullying. Relationships across the school are harmonious and supportive.”
