

Interested in Training to Teach?

Is your son or daughter in the final year of an undergraduate degree or a recent graduate and considering a career in teaching? As you know, Harrow Way Community School is a partner school in the Hampshire LEARN SCITT Partnership, a school based initial teacher training provider in Hampshire.

We have training places in Maths, Chemistry, Physics, Biology, English, Geography, History, PE and RE for 2016-2017.

As well as those people who are graduating this year or have recently graduated, we are interested in graduates who are considering a change in career and thinking about training to teach.

Do look at our website: learnalliance.org.uk

It will tell you all about us, the entry requirements for teacher training and how to apply through UCAS. You will also see a link to the national government campaign for teacher recruitment:

[Your Future/Their Future](#)

Our first information event is on 20th October from 6.00-7.00 pm at Thornden School. Please register your interest in attending this event by e-mailing Mrs Sian Taggart.

If you would like more information please contact:

Mrs Sian Taggart (SCITT Administrator) – 023 8024 6950 - sian.taggart@learnalliance.org.uk

Mrs Juliet Pearce (Director of SCITT) – 023 8024 6579 – juliet.pearce@learnalliance.org.uk
