Responsible to: The Curriculum Leader

This is a standard role profile applicable to all teachers at Harrow Way School other than the Headteacher. It is based on the Pay and Conditions documents to which reference should be made. It should be considered in conjunction with the Teachers' Standards 2012.

The 2012 Standards provide statements of a teacher's professional attributes, professional knowledge and understanding, and professional skills, and these are the standards expected to be maintained in the discharging of duties within this job description. The job description describes the duties and responsibilities of the postholder and provides a basic framework through which the postholder and the Curriculum Leader can discuss the nature of the job. It also allows others in the school to perceive what the job is about.

Indeed, responsibilities may be varied to meet the changing demands of the school at the reasonable discretion of the Head Teacher and after appropriate discussions have taken place with the postholder and any other relevant staff.
