## **SCHOOL UNIFORM (Continued)**

At Harrow Way we take pride in our high values regarding student uniform, in order to maintain good standards of dress and personal appearance which are sensible and appropriate for students at secondary school.

### ***For both Boys and Girls:***

A suitable outdoor coat may be worn as prevailing weather demands; however, it must be removed before entering the classroom. Outdoor coats should be plain and dark, with minimal or no logos. Denim and leather outdoor coats must not be worn.

**Shoes** must be black, low-heeled and of a sensible design.

**Trousers** must be plain black in a classic style – that is, not shaped to hug the legs. They must not be denim or leather or casual in style. Combat rousers, leggings and jeans are not acceptable. Although many different styles are sold by local stores as school uniform trousers, the Governors and Senior Leadership team of Harrow Way School reserve the right to decide which styles may be worn as part of our uniform

The following items are NOT permitted:

- Hoodies and hoody-like garments
- Leather and denim clothing
- Baseball-type caps
- Trainers, boots and other casual footwear
- Jeans, cords, chinos, leggings, etc.

### **Jewellery**

The wearing of jewellery, with the exception of watches and a small ear stud (no more than one per ear), is not permitted. No other facial or body jewellery is allowed. Facial piercings are unacceptable.

Students and parents should be aware that if we feel that the amount or nature of jewellery worn by an individual student is inappropriate or unreasonable, he or she will be expected to remove it.

### **Hair and Make-up**

Extreme styles are not acceptable. Students should not wear excessive make-up or coloured nail varnish. In such cases students will be expected to remove it.

### **A further note on uniform**

- Outdoor coats, scarves and gloves must be removed prior to entering teaching areas.
- Ties should be fastened properly and free from graffiti.
- White school shirts must be tucked in.
- A coloured or heavily logoed t-shirt should not be visible under the school shirt or blouse.
- 

### **School PE KIT**

Gum shields are strongly recommended for hockey and rugby activities. For all PE and games activities, students with long hair must provide themselves with hair ties or clips to keep hair off the face. All jewellery must be removed.

If you are selected for a school team, shin-pads will be needed.

**Students are required to bring full PE kit to every lesson, even if ill or injured, and must change into it.**
