HWCS Anti-Bullying Charter

"Bullying is when you as an individual or as part of a group intentionally make someone upset or hurt their feelings through unwanted and persistent physical or verbal abuse in person or online, or just disrupt their lives on more than one occasion. Different ways vary from verbal, social, physical, emotional/psychological, racist, homophobic, sexual and cyber bullying."

Harrow Way students January 2015

You can't fix yourself by breaking someone else.

As a school we will:

- Take bullying seriously when it is reported
- Support the targets of bullying and help them to feel safe within school
- Take action against the bully/s and support them in changing their behaviour
- Expect bullies to change their behaviour
- Work with parents/carers of any student who is involved in bullying to support and encourage the student/s in finding solutions
- Either internally or fixed term exclude pupils who bully and do not try to change their behaviour.

As a student I will:

- As part of Harrow Way School community I have a responsibility to help combat bullying by supporting other students
- I will not gang up on other students
- I will not join in when students are making fun of another student, even if I feel I cannot stop it
- I will not turn a blind eye to victimisation or bullying someone at school
