Article 14; Every child has the right to think and believe what they want and also to practise their religion, as long as they are not stopping other people from enjoying their rights. Governments must respect the rights of parents to give their children guidance about this right.

Freedom of thought, belief, religion...

Thought for the Week

A real friend is one who walks in when the rest of the world walks out.

Friendship is not about whom you have known the longest ...Its about who came to you in your time of need, and never left your side .
