## Annual Key Stage 4 Presentation Evening Trophy and Cup Winners 2017

### **The Rotary Prize** (invite Rotary President to present while you give the background) .. **Jack Tugwell, Lauren Williams**

**Jack** - Jack has always been an exemplary student in terms of his attitude towards others. At school, with a keen talent for rock climbing, Jack has always had a knack for allowing his energy to rub off on his peers; for whom he always had time and energy to encourage and support. As well as being a Harrow Way senior prefect, Jack is a member of the Explorer Scouts and, during his final year at school as well as working hard for his exams, he fund-raised several thousand pounds to allow him to travel to Tanzania in August to work as a volunteer helping to build a primary school. As part of his fundraising, Jack grew his own hair out in order to be able to donate it to the Little Princess trust, who create wigs for child cancer sufferers. We are very proud of Jack's obvious commitment to helping others.

**Lauren** - Lauren is always willing to help others, be it in tutor or around the school. From being a successful Scout to being an integral part of the Year Group. Lauren was always ready to raise money for charity, take part in activities and help younger pupils. The fact that she had never received a behaviour point during her whole time at school is testament to this.

### **The Darling Cup (contribution to Music)** ..... **Bailey Saunders**

**Bailey** is a talented musician and his hard work was consistent throughout the course. He achieved an excellent BTEC grade having been particularly successful at the core units, 'music industry' and 'product'.

### **The Chris Overton Cup (Sporting Achievement)**...shared **Georgina Butler & Tommy Willard**

**Georgina** - (unfortunately she is at college in Gloucester and cannot attend.)

For outstanding dedication and commitment to her swim training and the drive to succeed and do her best.

**Tommy** - An exceptional competitor and all round sportsman with great character, who never gives up. An integral member of the best School Football team I have had the pleasure to coach.

### **The Rob Hudson Cup ( Outstanding Contribution to PE and School Sport)** ..... **Louisa Jones**

Throughout her 5 years at Harrow Way, Louisa has shown a real commitment to PE and school sport. Louisa has competed for the school and the district in cross country and athletics. She has also represented Harrow Way in netball, badminton and rounders and shown willingness to help and support the PE department.

### **The Le Creuset Cup (Catering)**..... **Adam Hampton**

Demonstrating ambition, enthusiasm and pride, Adam is awarded The Creuset Cup (Catering) prize for recognition of his commitment, attainment and desire to do well. Congratulations!

**The Chris Overton Shield (Performing Arts)..... Ella Tanner**

Ella's commitment and bravery have always made her stand out. While she excelled in a variety of modern and classical roles, her performance as Elle Woods in the musical Legally Blonde was a particular highlight. For an hour and a half she barely left the stage, carrying the show with her sparkling energy and beautiful singing voice.

**Harrow Way Communications Trophy (Contribution to ICT)..... Joshua Douch**

Joshua achieved an excellent result in his Computer Science GCSE. Over his 5 years at Harrow Way, he has consistently demonstrated a strong understanding of technology, through commitment to technical theatre in earlier years, through to Computer Science more recently. He has always been willing to support fellow students and even ran revision sessions of his own before exams; hard work which was borne out by his final A grade result.

**The Mark Warren Shield for Highest Achiever in MFL (NEW) ..... Noah Lynam**

Noah worked extremely hard, putting in commitment and a determination to do well. He achieved an excellent result in his GCSE French exam and was awarded an A\* with the highest marks in the school.

**Office Depot Maths and Computing Shield..... Katie Scratchley**

Katie achieved top marks in the Free Standing Maths Qualification which was run after school as an extra-curricular course. She also showed a great understanding and passion for her computer studies.

**The Veale/Scicluna Shield (English/Media)..... shared Millie Fulford & Lucy Ward**

This year's award has been shared for the first time. The recipients are truly deserving of it. Like all schools we crossed our fingers and hoped that some students would achieve the new level 9 grade. Lucy and Millie managed level 9s in both Language and Literature and we could not be any prouder of them both. A quite stunning achievement.

**The Partner West Africa Award (Rights Respecting commitment, etc)..... Tayla Dawe**

Tayla has been a fantastic Ambassador for Harrow Way, representing the school on numerous occasions delivering presentations on being a Rights Respecting school. This included presenting to Primary Schools as well as to other professional organisations at an event at Southampton University. She was amazing and thoroughly deserves this award. Congratulations!

**The Will Dyke Cup (Exceptional Contribution to the School Life) ..... Tia Fisher**

An inspirational pupil and natural leader. Always willing to go above and beyond expectations. Outstanding achievements both academically and in committing to extra-curricular activities.

**The Burbidge Shield (Community Spirit - could be school community or anything, Young Leaders etc) ... Emma Hunter**

Emma worked with younger students and her peers on sporting activities, represented the school many times in netball and as a senior prefect. The school really relied on Emma and she is a fantastic role model for the school.

**The Alice Razza Award ..... Alice Razza**

Alice showed incredible bravery and resilience throughout her time at Harrow Way. She always worked hard and was a star in so many subject areas, a model student who was a joy to teach. Alice was truly an inspiration to us all and we miss her every day.

**Harrow Way Trophy (always being your best)..... Mia Larkin**

Even whilst going through personal hardship, Mia never once gave up. She is a determined young lady who always gave her best. Her strength of character and exemplary attitude is an example to all.

**Harrow Way Shield (Outstanding Personal Achievement) .....Grace Witcher**

Grace's performance as a GCSE student was truly amazing. Not only did Grace achieve outstanding results across a range of subjects, she was also awarded a level 9 for English Language. This represents an incredible 6 levels of progress. A phenomenal achievement and the first time it has ever happened at Harrow Way.

**Harrow Way Cup (Best All-rounder) .....Ethan Hawes**

Ethan is hardworking, ambitious and always asks questions if he isn't sure. He showed a dedicated attitude to his revision in all subjects and his hard work paid off with a glowing set of results across the board. Ethan is a pleasure to be around and his sense of humour is infectious. He is a team player and will always be remembered with great affection for his contribution to the 2015 school ski trip. The Harrow Way Community wishes Ethan all the best for his chosen career in dentistry.

**The Harrow Way WOW Award - One-off award-**

**The only student to achieve Grade 9 in English Lang & Lit and Maths .....Millie Fulford**

For an absolutely exceptional achievement. Millie is officially in the top 10% of the country for both core subjects. Astounding!

**Anne King Shield (Highest Academic Achiever) ..... Noah Lynam**

The highest academic achiever. (Additional subjects were FSMQ & ECDL)
