

THE Harrow Way Eagle

SUMMER 2018

Learning for life, **SUCCESS** for all

HEAD'S CORNER

As we approach the final few days of term, at the end of the 2017/18 academic year, it is time to look back on the year at Harrow Way, and what a year it has been! There has been much to celebrate across the school and I look back with a great sense of pride and accomplishment.

I would like to thank the staff, students, governors and parents for all their support throughout the year. I mentioned to the parents of our new intake that they have entrusted us with one of the most important and rewarding jobs in the world – that of the education and welfare of their children. At Harrow Way we take this responsibility very seriously and I thanked them for trusting us.

The summer term has been an enormously busy time for the school. We have had a wide range of activities taking place. This includes sports fixtures and competitions, residential visits to Berlin, Rome, Calshot and Plas Pencelli, visits to local businesses, Dance and Drama productions.

We've also had House Challenges such as the photography and writing competitions, and national initiatives such as the UK Maths Challenge.

We recently celebrated the achievements of Year 7, 9 and 10 students at our Presentation Evening and the Guarantee Evening for Year 8 students. Certificates and prizes were awarded in each subject area for Effort and Attitude and Progress. Head of Year awards were presented for Contribution,

Personal Achievement and Attendance. The website and Twitter feed is testament to the variety of experiences we offer to our students.

New Student Leadership Team

After a rigorous application process, including a letter of application and an interview panel, we are pleased to announce our new Student Leadership Team for 2018/2019.

Congratulations to our successful candidates:

Head Girl – Chloe Wilfort

Head Boy – Jed Trengove

Deputy Head Girl – Indy Jones

Deputy Head Boy – Lord Odunlami

September 2018 – New Intake

We will be welcoming 190 students to Harrow Way next year and currently have a waiting list of 50 with 413 applications! I am delighted that Harrow Way continues to be the first choice for families in our area.

Leadership and Learning Partner 2018

We had a very successful visit from our Leadership and Learning Partner from Hampshire Inspection and Advisory Service, Jean Thorpe. This involved a discussion with me about self-evaluation and student data, a learning walk across the school, visiting a number of classrooms, a discussion with middle leaders and Senior Leadership Team (SLT) and student interviews with a selection of Year 7 and 8 students.

“Strengths identified include the calm and purposeful school, the parental confidence in the school, and the rigorous self-evaluation that underpins the school's focus on improvement”

LLP May 2018.

UNIFORM

At Harrow Way we take pride in our high values regarding student uniform in order to maintain good standards of dress and personal appearance, which are sensible and appropriate for students at secondary school. Our school uniform policy is outlined in the student diary. This avoids inequalities of dress and extremes of fashion, which are often quite unsuitable for work at school.

In particular, please note that the wearing of leggings, jeans-style or very tight-fitting trousers is not acceptable. Skirts should be of a length conforming to decency and not made of Lycra or similar. Please remember that nail varnish is not permitted. Students are not permitted, for health and safety reasons, to wear jewellery other than one pair of small stud earrings.

Please take the opportunity over the summer holiday to ensure that your son/daughter's uniform meets the standards described in the uniform pages of the student diary.

Parent Survey Results and Next Steps

Every year we undertake an evaluation of our performance, acknowledging our successes and also identifying the areas that we need to improve. Parental input is essential if the process is going to be truly meaningful and the evidence we collect helps to determine the priorities for the year ahead and the longer term.

The information we receive from the questionnaires is summarised and has been discussed at Senior Team Meetings and a Full Board Governors' Meeting. We have identified four areas we would like to include in the School Improvement Plan 2018-2019. I have reported on this separately and you can read the survey results on page four.

Work Experience

The vast majority of Year 10 students have undertaken a week of work experience (July 9th -13th July) in many different locations in and around Andover. School staff visited each workplace and talked to students and their 'employers'. We had great feedback from the placements and hope that the experience has helped our Year 10 students plan for their future employment.

BULLYING
INTERVENTION
GROUP

National Awards 2017-2018

We were very proud to receive two awards this term. Last year we were the first school in Hampshire to receive the Big Award by the Bullying Intervention Group. This will continue in 2018-2019. Our Computing at School Lead Award has recently been revalidated and both Mrs Robertson and Mr Peebles are accredited Master Teachers in the subject. An article about our Teacher Development Trust Silver Award follows later in the newsletter on page five.

Harrow Way is the only school in Hampshire and one of only seven schools nationally to be awarded the much coveted Geographical Association Centre of Excellence status. In recognition of excellence in teaching and learning in geography the school has also once again been awarded the Secondary Geographical Quality Mark (SGQM).

Staffing changes

We have only a 2.7% movement of teaching staff at Harrow Way this year - we are bucking the national trend (10-12%) and are fully staffed for September.

We are saying farewell to:

David Woodward
Supply Teacher of English

David Marrs
Teacher of Science/Maths

Julia Phillips
Acting Curriculum Leader MFL

Nic Harding
Teacher of MFL

Will Sharkey
Salaried RE Trainee -secured a position at John Hanson

Nicola Gregson
Teacher of Bus Studies/Vocational

Rhonda Salmon
Teacher of Transition Group and SSCO

Kate Oakes
SpLD Teacher

New appointments

Janie Burden (Science)

Megan Gritti (MFL)

Neil Bates (History)

Ed Nias (Maths)

Emily Barber (Music)

Internal appointments (New)

Vicki Ford
Year Leader for Year 7

Tutor changes for September

7RMC will become 8CC with **Chrissy Collins** as Tutor

9RKS will become 10NBA with **Neil Bates** as Tutor

9DJM will become 10LW with **Lyndsey Walker** as Tutor

10EAA will become 11KMC with **Kelly Campbell** as Tutor

All that leaves for me to do is wish you all an enjoyable summer break. *Mr Serridge, Headteacher.*

Annual Parent Questionnaire June 2018

Thank you to all those parents who have responded to our annual questionnaire. As you will see in the responses below Harrow Way out-performed the national averages by a significant margin.

Greatest Strengths

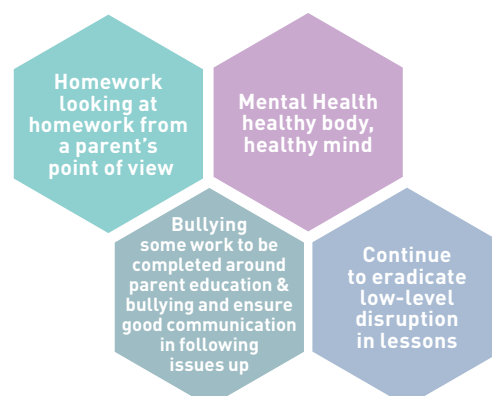

The two most commonly used words – **Teaching** and **Leadership**

Common threads

What are the most important issues that the school should address in the next year?

4 Key Areas

THE BIG SING

Over 150 primary school children joined us to celebrate African music at the 'Big Sing.' Students from Portway, Roman Way and Appleshaw schools performed a medley of songs, some of which were sung in Zula and Ndebele!

There were a number of highlights as the children performed well-known African pieces Shosholozu, Thuma Mina and Siyahamba along with the Lion King's Circle of Life. Mr Pollard, Harrow Way's Curriculum Leader for Music explains: "There were wonderful

contrasts in dynamic, harmony and texture as the students from each school performed different parts of the songs. 'Thuma Mina' (meaning, 'send me lord') was most beautiful with Roman Way responsible for the 'call', Portway - providing the 'responsive phases', while Appleshaw sang a descant over the top. This contrasted nicely with the final piece, 'Siyahamba' which really demonstrated the dynamic that 155 voices can produce."

YEAR 7 RISE TO THE CHALLENGE

With the summer holidays upon us, reflecting on a successful year is always a pleasure. Our students have risen to the challenge of not only joining a much bigger school but also in finding their feet in what is one of the most challenging of school years.

From learning new languages and subjects, students have had the chance to experience a range of adventures. This term we have seen the start of the Athletics season and Sports Day; Harry Potter day; a world record bunting attempt in conjunction with Mind; trips to Brecon, the New Forest and France; a business day and a reward afternoon to name but a few.

Like the 1st of January, the start of a new academic term is the time to make new resolutions. From being more determined in lessons to remembering to bring the correct equipment every day, we all have something to improve and aim for. My resolution is to make sure that I visit as many lessons taught to my year group as possible to see first-hand the outstanding work completed. I encourage you to reflect on the accomplishments of your child whatever they may be. Help them come up with a couple of resolutions for the new school year ensuring future success. I hope you all have a lovely holiday and I look forward to seeing our children in September.

**Miss Beynon-Thomas,
Head of Year 7**

Silver Award for our high standard of training for teachers

The Teacher Development Trust Network (TDTN) has recognised our commitment to the highest standards in teaching and learning. The organisation, which is dedicated to improving the outcomes of children, has awarded Harrow Way a very prestigious Silver Award.

We received high praise from the auditor who said: "Thank you for a very engaging and enjoyable visit to Harrow Way Community School. I was heartened to see a strong commitment to professional learning supported by senior leaders who are proactive in modelling CPD and understand that professional development is ongoing for teachers of all experiences. It was a pleasure to talk to staff about their own professional learning."

The auditors went on to highlight our many strengths including the strong and supportive culture at the school where all staff understand the importance of quality CPD (continuing professional development) and how this positively impacts on students.

Commenting on the importance of continually improving the standards at the school Mr Serridge said: "Striving for the highest quality in teaching and learning is the bedrock at Harrow Way and we are always looking to develop and grow our teachers to continually drive up standards. Our goal is to be an 'Outstanding' school and having the very best teachers is the cornerstone of this ambition and the way we will achieve this is by investing in their professional development."

GOODBYE YEAR 11

Saying goodbye to our Year 11s can be a funny, enjoyable, poignant and sometimes a tearful occasion. It's become quite a tradition to do something special to mark the event and this year didn't disappoint with giant poppers spectacularly sending confetti five meters into the air.

Miss Walker and the Year 11 tutor team put together a very special assembly. Each tutor created their own goodbyes which featured poems and slide shows including one from Mr Townsend which showed how he was going to replicate his tutor group with lego! Teachers showed their funny side in the video 'what happens when you go home', which gave a tongue-in-cheek insight into school when students aren't here.

The assembly finished on an emotional note with a video of pictures showing how much the Year 11s have grown since joining us five years ago in Year 7. All that was left to do was the whole year group selfie before we all gathered outside for the big paper party.

Commenting on the students who Miss Walker has looked after since Year 8, she said: "It's been an absolute pleasure to watch over this year group as they have progressed through the school. I am hugely proud of their achievements and hard work and know they will all get the successes they very richly deserve."

BEAUTIFUL GOWNS AND SHARP SUITS

The annual prom was once again a brilliant finale to officially mark the end of Year 11s time here at Harrow Way. Before students even discovered the magic Miss Walker and her Prom Committee had weaved in the Auditorium with gold, black and purple, there was the official arrival procession to enjoy. The students didn't disappoint arriving in a wonderful array of vehicles including sports and classic cars, limousines and motorbikes. We even had a double decker, lorry and a tractor!

Looking very grown up in beautiful gowns and sharp suits it was hard to imagine this very smart bunch of students in school uniform. It was clear a lot of thought and effort had gone into their outfits and everyone looked brilliant, all set for the masked ball.

While Mr Fluellen's band and a DJ kept the tunes coming the students enjoyed a chocolate fountain, sweet cart, photo booth and mocktails. There were lots of silly prom challenges throughout the night and everyone was on the dance floor at the end for the balloon release.

“ Goodbye Year 11.
Wishing you all every
success for the future.”

Rocking lessons in The School of Rock

We brought the West End and Broadway to Andover with our latest all-school production. The School of Rock, featuring our youngest ever cast who wowed the audiences at three sell-out shows.

The Andrew Lloyd Webber musical required performers to act, sing and play instruments on stage with an off-stage band, made up of teachers and students, providing the famous soundtrack to the show.

Show Director and Curriculum Leader for Performing Arts Mr Manson said: "Many of the main cast was drawn from Years 7 and 8 – if you're good enough at Harrow Way, you're old enough! We had around 60 students involved in every aspect of the show from lighting and sound, stage management, set construction, playing in the band to singing in the show choir and of course performing on stage.

It was an ambitious production to put on but we have been rehearsing three times a week since September, clocking up over 100 hours of after-school rehearsals and preparation - our cast was more than ready!"

As is now tradition, students from Icknield School also worked on the production, attending Harrow Way's Drama Club every week for two terms in the run up to the show. "The way the Icknield and Harrow Way students bonded as a cast and as friends was one of the best parts of the whole process" commented Mr Manson.

OUTDOOR ADVENTURES

With (almost!) five full days of gorgeous summer sunshine, 21 Year 8 students enjoyed a week of outdoor and adventurous activities at Calshot. As they pushed themselves physically they developed teamwork and communication skills as well as building confidence and determination. The experts down at Calshot, which is one of Britain's largest outdoor adventure centres, put the students through their paces at track cycling, snowboarding, climbing, sailing, windsurfing, kayaking, mountain biking, raft building and much more.

And if that wasn't enough there was still lots to do in the evening from orienteering to ringos.

OPTIONS MADE - ALL SET FOR YEAR 9

The first half of this term has been really busy with students making some tricky decisions for their Year 9 options. Everyone has either met with me or a member of the SLT to help them make the right choices for next year and I am very proud of the way students have conducted themselves during this period with many impressive and sensible decisions made.

They have also been working furiously outside of lessons to ensure they gain the Harrow Way Guarantee. We had a fantastic number of students who have achieved this with 50 Passes, 25 Merits and 41 Honours. I am very proud of the students who have put

time and effort into this and I am looking forward to celebrating with them at the Presentation Evening.

We have recently started two exciting inter-house competitions. The Ultimate Frisbee League is working really well with all tutors involved showing great team spirit and the World Cup Predictions League is creating a real buzz around each game of the competition.

Mr Carter, Head of Year 8

Harrow Way celebrates best performance in UK Junior Maths Challenge

We celebrated our best ever performance in the annual UK Junior Maths Challenge (UKMC) this term. This national competition, organised by the UK Mathematics Trust (UKMT), is aimed at gifted Year 7 and 8 mathematicians. Our talented students achieved two Golds, ten Silver and 14 Bronze awards, with Year 8 Shaun Scratchley also qualifying for the Junior Kangaroo.

Commenting on the result Mrs Marsh, Assistant Curriculum Leader for Mathematics said: "We are really pleased with this year's performance, particularly the number of Gold and Silver awards. This is the first time one of our students

has progressed to the Junior Kangaroo which is outstanding as only 8,000 from the initial 300,000 qualify."

AMAZING TERM FOR YEAR 9

What an amazing term and academic year our Year 9s have had with many personal, sporting and academic achievements to reflect back on. Our mantra continues to be believe/aspire/achieve while maximising every opportunity. Our ethos as a school also goes beyond the classroom to experience the wider community nationally and internationally, enjoying new experiences while instilling resilience and perseverance in the face of adversity.

We've had an incredible term with a number of significant sporting achievements which you can read all about in the Sports Round-up on page 11.

We've had a successful 12.5 mile sponsored walk to Appleshaw St Peter's Primary School (and back!), raising money for our partner school in Ghama and also to support school initiatives. A big thank you to Mr Ian Hickman (Appleshaw Headteacher), Mr Jeremy Dunning and Mr Nigel North (landowners) for their support.

We've also been to Marwell Zoo and The Lights theatre and seen excellent advances from our very own Student Council. All students of Year 9 have secured their subjects ready for Year 10 GCSEs with the majority also receiving accolades from Mr Serridge for great success.

I wish you a relaxing and safe summer break and I'm looking forward to a hard working Year 10 in September. Thank you to staff and students for all the support you have given me in my first year as Head of Year.

Mr Cade, Head of Year 9

Billion pound army building project gives insight into growing construction sector

Year 9 and 10 students aspiring to a possible career in engineering and construction were given behind the scenes access to the Army's £1.1bn Aspire Defence Project during a trip to Larkhill. Seeing first-hand the infrastructure programme, due for completion in 2020, gave the students an insight into the careers which will deliver approximately 2,600 new single bed spaces for soldiers, 130 new buildings and 200 demolitions.

Mr Peebles, Associate Senior Leader said: "The construction sector is hugely important to the economy and the career opportunities are incredibly varied. We wanted the students to see for themselves the numerous skill-sets required on such a huge project which will deliver living and working accommodation for 4000 soldiers. Not only did they get to see the potential for individual careers, they also got to meet the Chief Executive Allan Thompson and Project Director Richard Tindall – two very successful and inspiring people leading the way locally in the construction industry."

Students were given a guided tour of the project visiting an array of construction sites at the Larkhill Garrison. They saw the main project office, home to all the plans and drawings for the complex site, and a visit to Purvis Lines build included a question and answer session with contractors and engineers.

HAMPSHIRE BOOK AWARDS

The Hampshire Book Awards voting day was always going to be a close run contest with a shortlist of books covering organ donation, leprosy, stammering, Syrian refugees along with a couple of thrillers.

Over 100 staff and students from nine Hampshire secondary schools, Hampshire County Council and the library service joined us recently to discuss, debate and ultimately cast our votes for the winning book.

All the students taking part had spent the last 14 weeks reading the six short-listed books. Well done to the Harrow Way contingent of eight who really went above and beyond in their duties, even coming in on an Inset day.

Following a warm welcome from Mrs Pearce the gathered students started official proceedings by discussing each of the books against criteria of enjoyment, engagement and enrichment before going on to vote for their favourite. With four other venues also hosting voting days we managed to collect the input from approximately 500 Year 8s across the county.

Author Tamsyn Murray was voted the winner with her novel *Instructions for a second hand heart* on the subject of organ donation.

Young.writers.co.uk

Congratulations to Year 7 Adrian Graham who is to have his winning poem published in the book *'The Poetry Games', Immersed in Words*. Adrian entered a competition by young.writers.co.uk, an organisation which aims to encourage young people to engage in creative writing.

Enjoy reading Adrian's poem 'The Forest of the Night':

In the forest of the night,
Where the trees are packed
so densely tight,
Many a-wolf scream and howl,
'midst the hooting of a mystic owl,
In the forest of the night.

In the forest of the night,
Eternally lit by the gleaming moonlight,
Gently does the stream o'er the hill flow,
Quiet and peaceful as the breezes calmly blow,
In the forest of the night.

In the forest of the night,
Beneath the canopy of branches that create such a sight,
Where the incandescent light of the sun seldom appear,
The beauty of the forest will always bring a tear,
In the forest of the night.

Work experience, mock exams and college visits for Year 10

Year 10 has had a very busy term. In the run up to their work experience week we had over 150 students visiting work places in the local area, and further afield. Huge thanks to Mr Peebles for his last minute chasing of students and pushing Hampshire County Council as far as possible regarding the deadline for applications! Many thanks as well to the whole team supporting the process which has resulted in us having our highest

number ever of work experience placements.

As a year group we have been looking to the future with a whole host of mock exams being sat in the Sports Hall with some students doing more than eight papers over the six day period. We've also recently had visits to Andover College and Basingstoke College of Technology to give students an idea of where they might be looking in the future. This all ties

in with our school careers program, the individual meetings that students have had or are going to have and the previously mentioned work experience.

I'd like to finish by hoping that Year 10 have a lovely and restful summer break and thank the whole year group, particularly our excellent prefects, for their continued efforts.

Mr Reed, Head of Year 10

SPORTS ROUND-UP

Sports Day

As much as we are loving this incredible hot weather it did present some challenges for this year's Sports Day. A quick change in format saw the sprints, hurdles and relays moved to the morning with students competing in front of the cheering school crowd.

Then it was on to the eagerly anticipated house competition with students competing in athletics, rounders, softball, tennis, basketball, tug of war, climbing and new age Kurling to see who would take title honours in the much coveted House Sports Cup.

We had some brilliant sporting displays with students competing strongly as individuals and coming together superbly for the team events. Highlights include Year 9 Adam Robinson jumping 6m 40, Year 7 Julia Wojcik jumping 4m 12 in the long jump and Leiko Fletcher's superb display in the 60m hurdles.

You are going to have to wait until the end of year assembly though to hear which team is lifting the cup!

Year 9 sporting success

It's been an incredible term of sporting triumphs for Year 9 including James Pay coming third in the 800m (and a PB) at the Winchester Wessex League. Josh Banks Williams, Neo Black, William McDermott and Macca Crook were all part of the U15 cricket team to win the District Championship.

Athletics county qualifiers, placing second or first at District level were Donna Doig (javelin), Beth Matthews (discus), Libby West (100m), T J Mukondo and Adam Robinson (high jump/javelin) and Dylan Willard (200m).

Two County Champions

Congratulations to Year 9 students **Beth Matthews** and **Adam Robinson** who both took county honours at the Hampshire Athletics Track and Field Championship. Beth is officially the county champion for Hammer and Adam the county champion in high jump. Adam is also currently ranked number two in the UK, (just 1cm off the number 1 position) and Beth is ranked number seven.

Andover and District Under 13's District Champions

On a lovely sunny afternoon the girls under 13s competed exceptionally well to win the annual District Swimming Gala. Congratulations to the Under 15s team who also performed superbly to take first place in the freestyle relay and second place overall. Commenting on the girls' performance Mrs Winnett said: "The determination and team spirit shown by all the competitors was fantastic."

Notable performances were Leigh Stanbrook who placed first in 25m freestyle and 25m backstroke, Ellie Peach, placed 1st in the 50m backstroke, Grace Davis placed 1st in the 25m backstroke, Faith Holman 1st in the 25m Freestyle and Sky Hull 1st in the 50m breaststroke.

CALENDAR 2018

3/9/18	INSET Day 1– School closed to students
4/9/18	Year 7 and Year 11 Prefects only in school
5/9/18	Year 7 and Year 11 Prefects only in school
6/9/18	All Years in school
10/9/18	6.30–7.30pm Year 11 Parents' Information Evening with Further Education Colleges and 6th Forms attending
11/9/18	Morning – HPV1 for Year 8 girls
13/9/18	Year 7 Roald Dahl Day
17/9/18	Year 7 Parents' Information Evening
19/9/18	Year 11 The Globe Theatre visit
21/9/18	Year 9 Computing students visit to IBM, Hursley
24/9/18	8.45am Year 11 Careers Assembly – Peter Symonds
25/9/18	12.45pm School finishes for students
25/9/18	6.30pm – Open Evening
26/9/18	9.15–10.30am Open Morning
26/9/18	Year 11 The Globe Theatre visit
27/9/18	9.15–10.30am Open Morning
28/9/18	Year 10 Science/STEM Event
2&3/10/18	Year 11 Swanage visits
w/c 15/10/18	All Years Maths Assessments this week
18/10/18	Year 9, 10 & 11 Ocean Film Festival visit, Salisbury City Hall

Autumn Half Term – Monday 22 to Friday 26 October 2018

5/11/18	6.30–7.15pm Year 10 Work Experience Launch Evening
w/c 12/11/18	Year 11 English/Maths mocks
12/11/18	Key Stage 4 Leavers' Presentation Evening
14/11/18	INSET Day 2 – School closed to students
19/11/18	All Years Progress Reviews published this week
22/11/18	3.30–6.00pm Year 7 Settling In Meeting
