The Harrow Way Cup

to the Best All-rounder

The Harrow Way 'WOW' Award

Grade 9s in English, English Literature and Mathematics

The Anne King Shield

to the Highest Academic Achiever

Presentations to Head Boy and Head Girl

Subject Awards

GCSE PHILOSOPHY & ETHICS	Amelia Kalwajtyś	Amelia moved 4 grades up from her TMG to achieve the highest grade in the year and it is down to solid understanding of the subject as well as hard work. Amelia instinctively knew what the exam was asking and had the ability to show both sides of the argument which is key to success in this GCSE. Amelia did equally well on the Philosophy, Christianity and Islam papers which is unusual; generally students struggle with the Islam and particularly the Arabic words.
-------------------------------------	-------------------------	--

Amelia is attending Andover College studying A levels in Maths, Biology, Chemistry and Physics.

GCSE PHYSICAL EDUCATION	Isabel Kirby	Isabel may be surprised to receive this award as she probably felt PE wasn't her strongest subject during the first years of the course. However, there was a moment early on in the final year where that changed and her results kept on climbing. Though Izzy is practically capable and willing to learn it was in her theory efforts that Izzy made the most ground. An outstanding set of results eventually proved that Izzy had overachieved getting a final grade that was two above her original target. A phenomenal effort!
--------------------------------	---------------------	---

GCSE PHYSICAL EDUCATION	Jed Trengove	Jed always showed a great desire to learn the subject and demonstrated with humility that he was the best within PE. Practically, Jed was a reliable sportsman and listened well to maximise his performance, but the theory is where he excelled. Jed very quickly became the benchmark for others, in a competitive environment nobody was satisfied until they had rivalled Jed's scores or answers in class. It is a testament to Jed's own motivation that he was consistently only dropping two or three marks in all practice papers and fittingly he went on to gain our highest scores in both halves of the examination. Nobody would have expected anything less!
--------------------------------	---------------------	--

Isabel is attending Andover College studying A Levels in Geography, Environmental Studies and BTEC Level 2 - Applied Science.

Jed is attending Peter Symonds studying A Levels in Maths, Further Maths, Chemistry and Biology.

GCSE SINGLE SCIENCE	Connor Sedman	Connor worked really hard and independently throughout year 10. He attended revision sessions and worked conscientiously especially during practical activities.
----------------------------	----------------------	--

GCSE COMBINED SCIENCE	Grace Farrelly	Grace's determination and hard work ensured that she achieved her outstanding grades in science. Her perseverance paid off and Grace was awarded what she deserved.
------------------------------	-----------------------	---

	Natan Szaro	Natan worked really hard in science and got some excellent grades, smashing his target. Natan's teacher was especially impressed with how he applied his mathematical knowledge to this subject.
--	--------------------	--

GCSE TRIPLE SCIENCE: PHYSICS	Nicolas Fedor	Nicolas' hard work and dedication paid off. A talented student who ensured that all his work was completed to the highest standard which secured the best grade that he could have achieved.
-------------------------------------	----------------------	--

GCSE TRIPLE SCIENCE: CHEMISTRY	Jed Trengove	A model student who was hard working and went the extra mile. His outstanding grade is testament to this.
---------------------------------------	---------------------	---

Connor has an apprenticeship in IT.

Grace is attending Andover College studying A Levels in Maths, Biology, Chemistry and the Certificate in Dance.

Natan is attending Peter Symonds College studying A Levels in Maths, Biology and Chemistry.

Nicolas is attending Wiltshire College (Salisbury Campus) studying towards BTEC Level 3 Computer Science (Cyber) and AS Level Maths.

Jed is attending Peter Symonds studying A Levels in Maths, Further Maths, Chemistry and Biology.

Subject Awards

GCSE ART & DESIGN	Julianne Davies	A pleasure to teach, polite and kind to others, Julianne always worked hard to achieve her goals. She worked independently to develop her own unique style and her final grade was well deserved.
------------------------------	------------------------	---

Julianne is attending Andover College studying A Levels in Applied Science, 3D Design and Music Technology.

VCERT LEVEL 2 BUSINESS STUDIES	Lucy Ladd	The business course takes a huge amount of self motivation and personal determination. Lucy has proved that she has these skills. Her effort and attitude was superb in and outside the class and as a result she produced some excellent coursework. In addition, Lucy worked tirelessly for the examination and achieved an excellent grade overall. Well done and best of luck for the future.
---------------------------------------	------------------	---

	Roksana Marzec	Roksana proved that she is not afraid of hard work. From the early months of the business course she clearly had a desire to succeed. The course required self motivation and Roksana worked tirelessly to produce great coursework, reviewing and redrafting in order to ensure it was of the highest quality. Well done, your success is thoroughly deserved.
--	-----------------------	---

Lucy is attending Andover College studying A Levels in Business, Geography and Environmental Science.

Roksana is attending Itchen Sixth Form College studying A levels in Law, Psychology and Level 3 Criminology.

GCSE COMPUTER SCIENCE	Liam Gardner	Awarded for dedication, determination and attention to detail which Liam demonstrated throughout this course. Liam never gave up and was always looking for ways to improve his grade which is a credit to him which paid off.
------------------------------	---------------------	--

Liam is attending Andover College studying A Levels in Physics, Biology and Chemistry.

GCSE DESIGN & TECHNOLOGY	Emma Howell	Through dedication and pride, Emma demonstrated a work ethic of the highest standard. Emma's controlled assessment was the result of commitment, creativity and a natural flair of excellence.
-------------------------------------	--------------------	--

Emma is attending Andover College studying A Levels in English Language, Criminology and Psychology.

GCSE ENGLISH LANGUAGE	Annalisa Brown	Annalisa was a consistently dedicated and focused student for the duration of her GCSE studies: she made the most of every single English lesson and revision opportunity that was available to her, and produced some outstanding creative writing. Annalisa's talent, tenacity and determination led her to achieve not only the prestigious Grade 9 in English Language: she also made more progress than any other student in the cohort! Well done Annalisa: this is a well-deserved accolade for an exceptional student.
------------------------------	-----------------------	--

	Alfred Smith	Alfie conducted his English Language studies with measured precision and impressive levels of focus: his expertly-crafted writing and finely-honed reading skills led him to the topmost reaches of achievement: the rare and much-coveted Grade 9 - a lofty standard met by only 2.2% of students nationally. Excellent work Alfie: a well-earned prize!
--	---------------------	---

Annalisa is attending Peter Symonds College studying A Levels in English Literature, Psychology and Geography.

Alfie is attending Andover College studying A Levels in English (Combined Lang/Lit), Psychology, Law and Geography.

Subject Awards

GCSE ENGLISH LITERATURE	Scott Jeffries	Scott was tenacious in his approach to his GCSE English Literature. A consistently conscientious approach in lessons, revision and every available lunch and break time meant that he not only reached his target grade of a 5, he surpassed all expectations and achieved a 7. Scott's attitude to his studies was highly admirable and his determination to achieve his target was exceptional. Well done Scott: you should be as proud of yourself as we are of you.
	Ellie Peach	Ellie always found a way to make her work original. With a natural talent at communicating her ideas, Ellie was critical, perceptive and showed great depth in her understanding of an author's rationale for writing the way they did. Ellie challenged herself in lessons as well as at home when completing extra essays with titles she had formed based on what she wanted to revise. It was her mature, complex understanding of the written word that allowed her to achieve a Grade 9. Ellie excelled in English literature and made a staggering amount of progress. Well done Ellie! What a fantastic achievement to take with you on whatever path you choose.
Scott is attending Basingstoke College of Technology studying towards the Level 3 UAL Diploma in Games Development. Ellie is attending Peter Symonds College studying A Levels in English Literature, Geography and Textile Design.		
GCSE GEOGRAPHY	Abigail Clark	Abigail had a brilliant work ethic and was determined to do well in Geography from the very beginning. She always gave 100% in all aspects of her study and as a result of this, she far exceeded her target grade. Congratulations Abi, on a fantastic achievement!
Abigail is attending Andover College studying A Levels in Criminology, Business Studies and Financial Studies.		
BTEC L2 TECH AWARD IN HEALTH AND SOCIAL CARE	Charlie James	Charlie was hard working throughout the course and always produced work that exceeded expectations. Her diligence showed in both coursework and exam elements of the health and social care qualification.
Charlie has an apprenticeship with Coco's Canine Crèche in Weyhill alongside taking Level 2 Animal Management.		
LEVEL 2 VCERT HEALTH & FITNESS	Caitlin Wiseman	Caitlin's achievement on the course was the reward she deserved for the dedication shown and the exceptional hard work put in to all her studies.
Caitlin's destination is unknown.		
GCSE HISTORY	Bryony Johnson-May	Bryony began year 11 not believing in herself or her ability and she left with probably some of the best knowledge of the History syllabus we have seen. This was testament to her determination to succeed. Bryony worked tirelessly in her spare time, attending revision sessions at every opportunity and working exceptionally hard in lessons. Well done Bryony, your success is truly deserved.
Bryony is attending Andover College studying A Levels in Modern History, English Language and Philosophy.		
VOCATIONAL AWARD IN HOSPITALITY AND CATERING	Harmony Talbot	Harmony worked extremely hard all the way through years 10 and 11. She challenged herself by continually practising so that she reached her full potential and demonstrated a positive attitude towards the subject. Harmony was a role model for her peers, always willing to help with extra curricular activities for the department and a pleasure to teach.
Harmony is attending Basingstoke College of Technology studying Level 2 Hospitality and Catering and Tier 4 Maths.		

GCSE MATHEMATICS	Amber Cherrington	Amber is the only girl to achieve a grade 9 in Mathematics at Harrow Way. She always worked hard, paid particular attention to detail and was confident in applying set methods. Amber was an absolute pleasure to teach and is a well deserved recipient of this prize.
	Luke Roy	Luke achieved the highest grade possible in GCSE Mathematics (Foundation). He exceeded his targeted grade and his success was down to concentrated hard work. He put his all into ensuring he understood all the key concepts and could recognise the maths required in problem-solving questions. His diligence paid off and he well deserves this prize.
Amber is attending Andover College studying A Levels in Biology, Chemistry and Environmental Science. Liam's destination is unknown.		
GCSE STATISTICS	Thomas Cooper	For excellent achievement in an exam that Thomas only had very little time to prepare for.
Thomas is attending Wiltshire College, Salisbury, studying towards the BTEC Level 3 Diploma in Games Design/ Development. He is also working part time for Hampshire County Council.		
GCSE MEDIA STUDIES	Agata Smigla	Across the course, Agata produced work showing maturity and skill above the expectations of GCSE. In a class of hard working, dedicated students Agata stood higher still with her effort to improve and incredibly high attainment. Her impressive grade 9 achievement was supported by flawless production work but also dedication and expertise in all areas of the specification. She was also a delight to teach which is never a bad thing either.
Agata is attending Andover College studying A Levels in Psychology, Criminology, Graphics and Polish.		
MFL: GCSE FRENCH	Lucie Davies	Lucie worked extremely hard and strived for excellence throughout this French course.
MFL: GCSE SPANISH	Thomas Hicks	Thomas was incredibly hardworking and put a lot of effort into his Spanish work. He attended revision sessions, even when he was the only one, and his hard work and dedication paid off!
Lucie is attending Andover College studying A Levels in Mathematics, Biology and Environmental Studies. Thomas' destination is unknown.		
RSL L2 CERT IN CREATIVE & PERFORMING ARTS: ACTING	Rio Gordon	Rio is, by nature, very laid back, meaning all his performances have an effortless, natural charm which belies the effort and thought he has put into them. Rio is creative and playful, making him a popular member of any cast he joins.
Rio is attending Queen Mary's College and is studying towards the Level 3 Extended Diploma in Business.		
RSL L2 CERT IN CREATIVE & PERFORMING ARTS: DANCE	Millie Sheppard	For making great progress during KS4 dance, through brilliant commitment and unstoppable enthusiasm!
Millie is attending Andover College studying A Levels in Criminology, Psychology and Dance.

Headteacher: Mr M Serridge, MA

The Rotary Prize for Community Vocational Service 'Service Above Self'..... Lord Odunlami

Despite joining the school late, he was a huge part of the year group. Lord was popular with students and staff, a peer mentor and deputy head boy and an excellent member of the community.

The Chris Overton Cup for Sporting Achievement..... Michael Summerfield

For his incredible sporting achievements in rugby outside of school. Having the choice of two rugby colleges and the offer of an under 18s international place in year 11 is outstanding.

The Hudson Cup for Outstanding Contribution to PE and School Sport..... Shannon Durrans, Kial Mumford

Shannon played a reliable part in rounders and badminton tournaments as well as performing to a high standard in athletics. While Shannon played football with the boys for a large part of her time at Harrow Way she was also a driving force in creating a girls team and captained that team throughout. Although not alone in her efforts Shannon raised the profile of girls football at Harrow Way and it is a legacy she should be proud of.

The Le Creuset Cup for Outstanding Performance in Catering Leah Warman

Leah was a pleasure to teach and a positive member of the class throughout this course. Her positive attitude and determination saw her gain confidence and allowed her to achieve a grade she should be extremely proud of.

The Chris Overton Shield for Performing Arts Agata Ruminska

Agata is one of the hardest working and most committed students you will ever meet. Equally gifted on stage and in rehearsals, she puts as much effort in to her written work as she does her performances. Agata takes criticism brilliantly and always strives to be her best.

Harrow Way Communications Trophy for Outstanding Contribution to ICT Tao Smith

Tao has always had a great aptitude for computing, from strong achievements in the Government Cyber Discovery challenge programme, to his contributions to extra-curricular computing clubs. He contributed enthusiastically to a number of IT related trips and visits and we hope he continues to pursue a future in the field.

The Veale/Scicluna Shield for Excellence in Media Willow Dallimore

This award, sponsored by two former members of the English department, recognises success in both Media Studies and also the complementary skills required for GCSE English Language and Literature. Achievement across all three qualifications shows a maturity and understanding of how language and presentation can be manipulated to create different experiences for audiences and readers and Willow demonstrated this throughout her years at Harrow Way. Her solid but also experimental work showed a student more than ready for the further demands of higher education.

Office Depot Maths and Computing Shield..... Nicolas Fedor

Nicholas was a very able mathematician who had a thoughtful approach to mathematics and computing. He had a great work ethic in both subjects and a clear understanding of set methods and mathematical concepts. Nicholas achieved a grade 9 in Computing and an 8 in Mathematics.

The Mark Warren Shield *for Highest Achiever in MFL*.....Chloe Eaton

Chloe's dedication and determination to do well in French was amazing and she thoroughly deserves this award.

The Harrow Way English Award *for Excellence in English & English Literature* .Jessica Tarbart

Jessica has the honour of being the first recipient of the brand new Harrow Way Award for Excellence in English Language and Literature, and she is truly a worthy winner of this most prestigious accolade. Jessica achieved the extremely rare 'double 9' - i.e. a Grade 9 in both Language and Literature - which is the culmination of years of sustained dedication and focus, and very much places Jessica amongst the most talented students that have ever stepped through the doors of the Harrow Way English department. Jessica's work throughout her GCSE studies was thoughtful, ambitious and elegantly crafted; she conducted her studies with calm determination and quiet self-assurance and, though she may not have had the loudest voice, or demanded the most attention, she can be sure that her stellar talent, and this great achievement, will be remembered at Harrow Way for many years to come. Congratulations Jessica!

The Partner West Africa Award *for being a role model and good citizen*Chloe Wilfort

For going above and beyond in all aspects of school life and, in all respects, being an excellent role-model.

The Will Dyke Cup *for Exceptional Contribution to School Life*..... India-Mae Jones

For being an excellent role model, contributing to many aspects of school life and upholding the Harrow Way ethos at all times.

The Burbidge Shield *for Community Spirit*..... Tamara Clackson

For all of her efforts as an exemplary house captain and her commitment to the wider life of the school.

The Alice Razza Award *for Courage and Determination* Liberty Southgate

Despite having to miss a big part of the year, Liberty achieved excellent GCSE results. Her positive attitude and huge efforts were a credit to her.

Harrow Way Trophy *for Always Being Your Best* Joshua Greenaway

For excellent attitude, demeanour and work rate and always striving to be his best.

Harrow Way Shield *for Outstanding Personal Achievement*..... Sadie Denyer

For overcoming a difficult start at Harrow Way yet determinedly became one of our best examples of an excellent prefect and student.

Harrow Way Cup *to the Best All-rounder***Jed Trengove**
For always being polite, kind and hard working and for being involved in sport, drama and doing brilliantly in his GCSEs.

The Harrow Way 'WOW' Award *Grade 9s in English, English Literature and Mathematics*..... **Joel Hesslegrave**
Truly outstanding academic achievement from a brilliant student.

Anne King Shield *to the Highest Academic Achiever***Joel Hesslegrave**

Presentations to the Head Boy and Head Girl**Chloe Wilfort & Jed Trengove**
