Harrow Way is an over-subscribed, vibrant and successful secondary school in Andover, Hampshire.

We are seeking to appoint a dynamic and motivated Teaching Assistant, with an interest in physical education, to join our team of dedicated staff with the desire to improve the life chances of children.

This role will offer the opportunity to make a difference to young people's lives both through physical education and in the classroom. This may be on a one to one basis, small group work or supporting a teacher with a whole class. This is an exciting opportunity.

You will need to:

- inspire our students as a pro-active Teaching Assistant.
- have a “can do” attitude and be willing to go the extra mile.
- be able to communicate effectively and have a warm, approachable manner to enable you to engage with both team members and students.
- be flexible and to be committed to working as part of a team as well as being committed to support students to achieve their full potential.
- be organised and adaptable
- have a good standard of general education, including GCSE Maths & English.

Previous experience in a TA or similar role would be advantageous but is not essential. A passion for physical education is essential.

Visits to the school by prospective applicants prior to application are encouraged. To arrange such a visit, or for an informal discussion regarding the post, please contact Mrs Tracey Roberts, School Business Manager, on the above number. Application packs are available for download from the school website.

Closing Date: Monday 1st August 2022
