Farewell from Mr Serridge – page 3

Year 11 Leavers' Assembly and Prom Pages 6-7

HW

SUMM

National Scientific Thinking Challenge

Thirty Year 10 students pitted their scientific reasoning wits against 227 other schools, including Independent and Grammar. They performed brilliantly with three students winning the Gold awards (top 10%), three winning Silver awards (top 20%), and three winning Bronze awards (top 40%).

Farewell from Mr Serridge

With a very saddened heart, I am writing to say a final farewell to you all, pending my retirement from Harrow Way Community School. I have written many letters home to parents and Head's Corners in the Eagle over time, but this is, without doubt, the most difficult of them all.

During my 11 years as Headteacher at Harrow Way, I have had the privilege of working with many exceptional staff members, parents, carers and governors. I always say that it is a team effort and that includes everyone! We have all been on a fantastic journey moving the school forward to becoming a first-choice school in the local area.

We have enjoyed so much success in so many ways with so many children and staff, from little things to big things. Hopefully, I will have many years to bore people to tears with hundreds of stories about my life as a Headteacher at the best school in Andover!

There have been several personal highlights, so many to recount: being shortlisted for 'The Outstanding Contribution to Education Award' at the 2023 Hampshire Education Awards, three very positive Ofsted inspections, with the last one being judged Good with many Outstanding features, being recognised in the top 50 most improved schools in the country after my fourth year of headship. So many proud moments... I could carry on. As I embark upon this new chapter in my life, I leave Harrow Way in the hands of my wonderful successor, Mrs German. I am confident that she will continue leading the school with the same dedication, vision, and compassion we have upheld together. You will find in her a leader who is committed to providing the best education and opportunities for your children.

Lastly, I express my heartfelt gratitude to each and every one of you for your support, cooperation, and trust throughout these 11 remarkable years. Getting to know your families, witnessing your children flourish, and being a part of this incredible community has been an absolute pleasure. I will forever cherish the bonds we have formed and the memories we have created together.

What will I miss about the school? Your wonderful children engage me daily with their amazing contributions, good humour and achievements; you, the parents who have been so supportive of our developments, and of course, my incredible outstanding staff.

Thank you all so much.

Mr Serridge, Headteacher

"My heart is full of special Harrow Way memories that will stay with me forever. I know that Harrow Way will continue to flourish, and I wish you and your children all the best for a bright and prosperous future."

STAFFING CHANGES

Teaching Staff

- Michael Serridge Headteacher (retiring)
- Christina Brown Curriculum Leader for History (promotion to Assistant Headteacher Yateley School)
- Donna Robertson Curriculum Leader for Computing and IT (moving to Cornwall)
- Christina Marsh Teacher of Maths (retiring)
- Meghan Bond Teacher of Geography (new role in Dorset)
- **Gemma Orchard** Teacher of SEN part time (new position closer to home in Swindon)
- Robbie Bowry Teacher of History (moving to Wales).

Helen Vanderplank - Headteacher's PA/Admin - Helen has been such an integral part of the staff team here for so long, we are all going to miss her greatly – although, of course, we wish her well with all the exciting things she has planned for her retirement. Helen has seen many changes over the years and has been the PA for three Headteachers. Her dedication and commitment to our school community have been outstanding.

Starters

- Sophie Chilcott Computer Science & IT
- Amber Evans PD and H&SC
- Denecia Barrett Computer Science & IT
- Jo Turton Maths

Support Staff

- Sarah Parker PE and SSCO
- Nathanael Grace History
- Isis Haywood Trainee Teacher of English.

Other staff changes/updates

- Dawn German Headteacher, September 2023
- James Massiah Year Leader 7, September 2023
- Lucy Barlow Assistant Curriculum Leader KS3 History and Geography
- David Mannion Temporary Head of House
- Sarah Swanton Curriculum Leader for History
- Emma Law Associate Senior Leader
- Kallista Kilby Year Leader 9 (replacing C Woodhead whilst on maternity leave).

- Vicki Ford English/Media (Started maternity leave in June)
- Chloe Woodhead English (Starts maternity leave in September)
- Charlotte Chase Humanities (Returns in August)
- Carrie May Maths (Returns in September).

THE CLASS OF 2028

We will be welcoming 195 students to Harrow Way in September and currently have a waiting list of 60 with 426 applications! I am delighted that Harrow Way continues to be the first choice for families in our area.

National Attendance Award

Our excellent school attendance, which was in the top 25% of all similar schools nationally for the 2022 autumn term and

spring term 2023, has been recognised by the Fischer Family Trust (FFT).

We received special thanks from the FFT and an FFT National School Attendance Award.

Exploring I Tudor times in Hampton Court

A trip to Hampton Court Palace gave Year 7 students an insight into the Early Modern Period. The Palace, once home to Henry VIII, is famous for its incredible architecture and lavish interiors, and huge garden.

Students saw the Palace in its full splendour, enjoyed two fantastic guided tours and some even got to zoom around the famous maze which is the oldest hedge maze in Britain.

Meet our new Student Leadership Team

Over half of Year 10 applied for one of the prestigious positions with 35 selected as Prefects and 23 Senior Prefects. Scarlett Steele and Ethan Thorpe were announced as Head Prefects alongside their Deputies Charlotte Newport, Bella Hall-Cooper and Joe Horne.

Commenting on the new Student Leadership Team, Miss Fowler, Year Leader for Year 10 said: "Senior Prefects play an important role at Harrow Way and they add real value to our school community. The strength of applications this year was phenomenal with those applying genuinely motivated to make Harrow Way a better place for all students. Feedback from Headteacher Mr Serridge, who was on the interview panel for the Head Prefect and deputy positions, was that this was one of the strongest groups of leaders he had interviewed, which undoubtedly made the decision-making process extremely difficult with all students demonstrating so many valuable qualities."

A flourishing Year 7

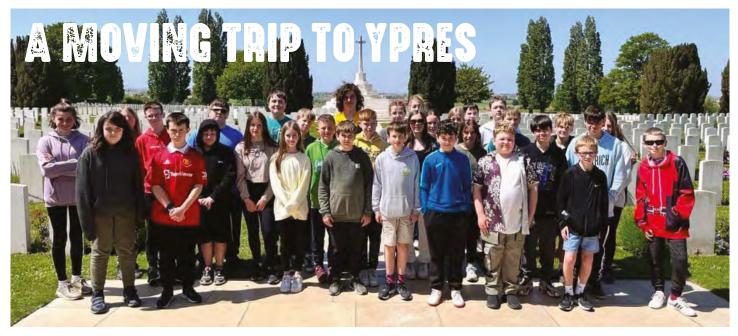

When coming to the end of an academic year it is always a pleasure to look back and reflect on what we have achieved in the last 11 months.

Moving from primary school to secondary school is one of the hardest years to navigate. Year 7 students have had to overcome many obstacles; from finding their way around a new school; accessing new subjects and topics; to meeting new teachers and making new friends. I am proud of how each and every one of our children have managed this transition. Each student at one point or another will have overcome challenges and had to face unfamiliar situations. The use of resilience and determination when navigating these unknown situations has been clear to see. Not only has this resulted in practising and developing an invaluable life skill but will put them in good standing when they move on to greatness when school life comes to an end.

This year I have seen our children flourish. No longer are they the nervous students that arrived on their first day in September. During my numerous learning walks I have seen active learners who are grasping and absorbing the knowledge being shared. Politeness and kindness have been shown to others with teamwork being at the heart of daily life.

I am proud of what my year group has achieved this year and am eager to see all of the wonderful ways that we will blossom in Year 8 in September.

Mrs Crossley, Year Leader for Year 7

Year 8 students headed to Ypres in Belgium for a powerful reminder of the sacrifices made during the First World War.

Kicking the trip off with a visit to Flanders Field Museum and the Hooge Crater Museum for an overview of the battles and weapons used, students also got to experience the poignant Last Post Ceremony at the Menin Gate.

For day two students headed to the Essex Farm Cemetery, famous for the

"There is nothing like standing on a battlefield to help you understand what happened and why. Experiencing actual sites gives an opportunity for students to imagine and empathise with those who experienced the war."

Sporting fun in the sun at Calshot

Against a backdrop of glorious sunshine a large group of Year 8s headed to Calshot Activities Centre in June to experience a variety of new sports and take part in team building/ problem solving activities.

From track cycling to snowboarding, the crate stack to water sports and a gorgeous sea swim to cool down, a great day was enjoyed by all.

In Flanders Fields poem by John McCrae, the Langemark and the Tyne Cot Cemetery to see where thousands of servicemen are buried.

We headed to Italy with 79 students to experience the mountains and learn to ski. Everyone picked up the skills needed to play on the slopes and there was still plenty of time to experience the Alpine culture, with old town visits and gelato thrown into the mix.

It was also our final chance to bid farewell to Mr Carter and as a community we want to say a big thank you for his contributions, putting on such successful trips and experiences beyond the classroom during his time at Harrow Way. Just one more added to the list!

GOODBYE YEAR 11 And so this is goodbye!

The Year 11s had their Leavers' Assembly on the 15th June. Mr Fluellen hosted the assembly, with me and the tutors (past and present) all having a chance to reflect on our memories of the year group and wish them well for the future. After signing shirts and enjoying an ice-cream, it was time for the final whole year photo and the whole school guard of honour as Year 11 left site for the final time as a year group.

It was so amazing to see most of them back for the Prom to celebrate. They all looked gorgeous and it showed how much they have all grown during their time here. The dance floor was packed all night, so I think they all enjoyed it as much as I did!

As I discussed with them in the Leavers' Assembly, "I always had high, high hopes" for the year group, but they have made me so proud by exceeding my expectations. I can't wait for August to see what they have all achieved. I hope they keep in touch to let us know what they all achieve next.

Mrs Ford, Year Leader for Year 11

"I hope they k in touch to le

"I hope they keep in touch to let us know what they all achieve next."

Year 8 update

YEAR8

This has been my first term as Year 8 Head of Year and I can honestly say, after working with many different year groups, there is something pretty special about you all. Even though I have only been with you for a term I feel like I've got to know you all so well and see what a kind and thoughtful year group you are.

This term has seen some excellent achievements including the

residential trip to Calshot, the Battlefields trip, many athletic events and much, much more. I love seeing how many of you are so happy to get involved and try out new things - you really do embrace being a part of the Harrow Way community.

This term has also seen Year 8 choose their pathway subjects for Year 9; a glimpse into what will be a bright and memorable year for you all. I hope you feel as excited as I do to watch you grow even more and really have a chance to explore and find the subjects you love. In just a few short weeks a new year will begin and I know how successful you all will be.

Mrs Woodhead, Year Leader for Year 8

Students arrived in style, from a motorcade of four cars and lorries to motorbikes and two arriving on horseback. Families and members of the community were out in force to cheer them in, and even the rain did not manage to dampen the high spirits.

A Carnival theme ran throughout with the Auditorium decorated in spectacular style with food to match. Students enjoyed hotdogs or burgers, cones of chips, doughnuts, fruit kebabs and popcorn. Thank you to the Year 10s who ran the bar for us, offering four different mocktails.

The dance floor was packed all night. Both staff and students enjoyed the music with the whole year group up on their feet for the Cha Cha Slide, following the teachers' examples of the Macarena!

As the clock struck 11pm there was an emotional farewell, last dance and the balloon drop.

Made in Andover, Out Of This World!

This year's big school show, *Space: The Musical*, was written by two people who will be very familiar to the Harrow Way community - Mr Manson and Mr Nias. In their former lives, Mr Manson (Performing Arts) and Mr Nias (Maths) ran a touring theatre company and used the time in between tours to write a musical about an over-confident and totally incompetent space captain (think Jeremy Clarkson in space).

With a rocking score and a script packed with puns, the cast and crew of *Space: The Musical* took over 400 audience

members to infinity and beyond in this silly space spectacular.

Sophie Munroe and Lucas Harris commanded the stage as the bumbling captain and her fawning sidekick while students from all year groups took on roles from hippy aliens to creepy creatures. As with all Harrow Way musicals, the students ran every aspect of the show - they could be found in the tech box, the band, on stage and off - making it a truly inclusive and joyous production.

VEAR1 Only nine months to go!

Wow, time really does fly! It's hard to think but this time next year the year group will have completed their GCSE exams and will have had their own Prom!

Students have had a really busy final term with Pre-Public Examinations (PPEs), PE trips to Bath, Geography trips to Swanage, Andover College visits, Work Experience, and their final Sports Day at Harrow Way.

Both Work Experience week and our trip to Andover College gave insight into different career paths and provided a chance to develop some of the key skills needed in the workplace. Students organised their own placements and chose subjects to trial at Andover College linked to their ideas of their future careers.

I have been really impressed with the maturity and conduct of all

students during the two weeks of PPEs and I have also been impressed with their attendance and punctuality - let's keep this up every week in Year 11!

Some students found this process to be more difficult than others so we took the year group off timetable to remind them that stress is a normal response to factors outside our control, such as exams. We went through ways in which students can help prepare themselves and ways to combat stress.

This term we announced our fantastic new Prefect Team, including our wonderful Head Prefects Scarlett and Ethan and their Deputies Joe, Charlotte and Bella [see page 4 for more].

Miss Fowler Year Leader for Year 10

Prefect reward trip Thorpe Park

The recruitment process to become a prefect is particularly rigorous here at Harrow Way. Students are invited to express their interest in writing before being interviewed for their position.

Our new Harrow Way Prefects have been in their roles for a term now and have all hugely impressed staff in school when carrying out their additional responsibilities such as; being on duty at break and lunch, touring parents and prospective teachers, helping out at events such as Prom and Discos, and helping with Induction Days. Miss Fowler said: "The Prefects really have gone above and beyond our expectations - they are mature, meticulous and focused so it only seemed right to reward their efforts with a trip to Thorpe Park to celebrate their excellent start!"

Green Powered Go Kart debuts at Goodwood Motor Circuit

The 12-strong team of students, supported by three Stannah engineers, headed to Goodwood Motor Circuit in April for the first Green Power race of the season.

Supported by family members in the stand and with the pit crew on hand, the team finished their first ever race day with a very respectful midfield win.

Commenting on the team's success Mrs Robertson, Curriculum Leader of IT and Computer Science said: "It was an amazing day seeing everything we had worked towards since September all come together. We're so proud of the team who have worked so hard, lerning many new skills supporting the drivers. We went hoping just to get off the start line and get around the track, so to finish our first race midfield is amazing. Now we can work on upgrading the car ready for our next race at Castle Combe race course on 17th September and improve our finishing position."

Andover Dance Festiva

Five of our Year 10 dancers took to the stage at the Andover Dance Festival to dance a self-choreographed piece. In front of a sell-out audience the students performed with confidence and flair their piece which depicted the rise and fall of the golden years in Weimar Germany.

House Happenings 🛹 🖈 💥

5-a-side Football Competition

Around 90 students from Years 7 – 10 took to the field in the first of our 'Have Your Say' House competitions - comps suggested by, voted for and organised by the students themselves. While all our House and Sports Captains did a great job organising this tournament, a special mention must go to Chloe Winterbone who made sure that everything was in place for a great afternoon's football. While competition between the squads was intense, fairplay and sporting behaviour was also ever present.

Is It Cake? Bake Off

The second of our 'Have Your Say' competitions was inspired by the popular Netflix show of the same name. Our students created a wide variety of cakes that were cleverly disguised to look like something else. While the cakes ranged from 'I can't believe that's not a shoe' to 'I can't tell what that is!', they were all delicious and showed off our students' wonderful talent and creativity.

Sports Day

The secret to dominating Sports Day is participation - every runner, jumper and thrower earns points no matter how well they perform so it really is the taking part that counts. By making sure that no event

went uncontested the brave Buzzard, Hawk and Kestrel athletes earned points for their Houses that would otherwise have gone unclaimed. No matter who wins the cup, the Heads of House all came away feeling like winners after watching their Houses cheer, chant and champion every last runner over the finish line.

NEWS FROM THE LRC

There's nothing the LRC likes better than promoting interesting and important events and building citizenship, personal development and growing cultural capital through book displays and activities.

From Pride Month and Empathy Day to World Refugee Day, World Fair Trade Day and more! The LRC has also been part of the HWCS Equality and Diversity forums.

A highlight for the LRC team is buying, reading and recommending new books to students. Young people should see themselves represented in great fiction so they are especially keen on books which provide wide ranging representation.

The Year 8 Hampshire Book Award judges have read the six shortlisted titles and met weekly to review them. At the time of writing, they are soon off to meet hundreds of other Year 8s to vote for a winner. They'll also meet the winning author at a presentation event in the autumn term.

The PAT (pets as therapy) dogs proved popular this term – there were even long queues out of the door and down the corridor!

Look out for our LRC calendar on the school website and you'll also find it on Twitter too... @booksbuzzing18

YEAR9 Over half way there for Year 9

We are now well over the halfway line in our school journey. It feels strange to say but we are approximately 570 days complete out of about 950 that you spend in school. We are not at the end, but September will certainly feel different. Perhaps, you will reflect now on the changes you have made since Year 7 or maybe you will begin to think about your own exams and Prom. Looking forward should be exciting, even if you are simply excited about getting the next 380 days done.

Looking backward across the last term have been some of my proudest as your Head of Year. As well as the success in your subjects, we have enjoyed trips to the opera, experiences with archery, skiing, performances in the school musical as well as consistently attending your clubs and enrichment. I am always heartened to see the high number of Year 9 faces involved in ECO club especially.

On a particularly personal note, I ended the last Eagle by noting how the Year 9 football team may have been league winners by the day of publication. They held on, and are the Champions. So I want to say thank you and well done to those lads who contributed. Sports Presentation evening was littered by Year 9 faces and this gave me a huge smile to end the year on.

Have a lovely summer break. Be kind to your families and don't forget to go outside. See you in September.

Mr Cole, year Leader for Year 9

Sports Round-up

Cricket

Our Year 7 and 8 cricketers took part in a 6-a-side tournament at John Hanson, competing against four other schools. The boys showed great spirit against some very good cricketers and managed to win one of their games against Rookwood. They improved each game, playing with both bat and ball, working brilliantly as a team and supporting each other constantly.

British Basketball League playoffs at the O2

Our Year 7 and 8 basketballers enjoyed a trip up to the British Basketball League playoffs at the O2. Alongside the women and men's final, students were treated to cheerleaders, slam dunk competitions and freestylers.

London Lions were victorious in both and our students were impressed with the speed and accuracy of the players.

Rounders

Rounders has been a huge success across the year groups. Fantastic numbers at training every week has resulted in our teams progressing really well; batting ferociously and fielding like a well-oiled machine.

Our Year 7 and Year 10 teams are District Champions, Year 8 team sadly lost out by half a rounder in the dying seconds of the final, our Year 9s finished third.

Bath University Trip

Our Year 10 GCSE PE and NCFE Health and Fitness students headed to Bath University Sports Training Village for a tour and the opportunity to watch the GB Swimming Squad train in the Olympic pool.

Each group were also put through their paces performing the VO2 Max Test, the Wingate Power test in the Testing Laboratory as well as other field tests across a variety of components of fitness.

Swimming Gala

The Year 7 and 8s swimmers took part in the Andover School Swimming Gala held at Rookwood.

A great mix of club swimmers and simply experienced swimmers saw Harrow Way finishing fourth overall.

Athletics

Attendance at the Athletics Club, this year, has been fantastic and the results at recent competitions demonstrate the hard work and commitment of our athletes. Before half term our Year 9s and 10s competed in their district athletics event. Special mention goes to Freya Twigg who broke her own record in the 100m from 12.7secs to 12.2secs and went on to finish second in Hampshire at the county stages! Overall the Year 10 team came second by a matter of 7 points however the Year 10 boys are District Champions. The Year 9 team came a respectable 3rd overall.

Year 7 and 8s also rose to the occasion with some incredible performances in track and field. Alfie Richards threw a monumental 10m 36cm in Shot Put and Adrianna Cossey won the high jump at 1m 30cm. Overall the Year 7 team finished in 3rd and the Year 8 won and were crowned District Champions!

2023–2024 Calendar

Autumn Term 2023/2024
