27<sup>th</sup> February 2026

Dear Parent/Carer

## Unifrog: Accounts for all Year 7 and Year 8 students

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next steps after school, and as part of Harrow Way Community School's Careers month, we are introducing all students to Unifrog – an award-winning, online destinations platform.

Students in Year 7 and Year 8 will find a welcome email from Unifrog in their school email account and will be introduced to the website during their assembly next week.

Unifrog is designed to support learners in making the most informed decisions about their futures and has a range of tools that are suitable for all. Every student at Harrow Way Community School now has their own account where they can explore all the career and next step options available to them and find information on everything from managing their workload to writing a winning CV.

Students have access to a wide variety of video and written content as well as interactive quizzes and tests. The platform makes it easy for students to write their CVs and record their activities and skills.

If you have any questions or queries please do not hesitate to contact me for clarification at [graeme.fluellen@harrowway.hants.sch.uk](mailto:graeme.fluellen@harrowway.hants.sch.uk).

Kind regards

**Mr Fluellen**  
Assistant Headteacher
