Dear Parent/Carer

Year 10/11 GCSE Photography

We are delighted that your child has opted to join the GCSE course for Art & Design in September 2026.

Materials and a wide range of equipment is supplied by the Photography Department, however, some items will be required in addition. The Photography Department has put together a comprehensive Art pack which contains the course essential, please see list below. We are asking for a contribution from parents of £15 which will go towards the cost of these items.

Please pay online via the school online payment system Scopay.

- 1 x A4 Black Paper Sketchbook, embossed with the school name, containing good quality paper. A place to store research, ideas and references, to practise and experiment with media and to show progress in the portfolio component of the subject
- 1 x A4 Black Paper Sketchbook, embossed with the school name, containing good quality paper. (This book is provided to the students during the January term of Year 11) This sketchbook will be used to show the creative journey of the personal study in Term 2 of Year 11 exam Project.
- 1 x Glue stick
- 2x White Gel Pen
- Inclusive printing costs

For information, the intention is to provide a Photography study trip (Kew Gardens) in Term 1 of Year 10, and a letter will be sent out nearer the time. An after school club will be provided and students are encouraged to attend weekly in order to complete homework, extend classwork and maximise coursework potential and overall grade.

Should you wish to purchase additional White Gel Pens for your child we recommend: The Uni-ball Signo White Gel Pen available at The Range:

On behalf of the Photography Department I would like to wish you a good summer break and look forward to your child being taught by one of our team in September. Should you have any questions please do not hesitate to contact me via the Harrow Way website.

Kind regards

Mrs Rosie Hughes

Curriculum Leader for Art & Design and Photography
