Dear Parent/Carer

Year 11 Information Evening – Thursday, 17th September 2026

We pride ourselves on high quality careers education to prepare our students for post-16 choices. Our Year 11 programme includes our 'Year 11 Information Evening' when families will not only hear essential information for the year ahead but also have the opportunity to talk to local post 16 education providers and employers.

On Thursday, 17th September from 6.00 p.m., we will be holding the Information Evening for Year 11 students and their parents. For parents of students currently in tutor groups 11CJB, 11NBA, 11SF, 11VLB and 11JLT we would ask you **to go directly to the Sports Hall on arrival** where you will have the opportunity to find out about post-16 choices. We have invited further education colleges and associated organisations to attend, including:

Andover College, Sparsholt College, Basingstoke College of Technology, Queen Mary's College, Peter Symonds College, Salisbury 6th Form College, Wiltshire College, Wellington Academy, Bishop Wordsworth 6th Form, University of Winchester, University of Reading, Sparsholt University Centre, Procision Football Academy, Hampshire & Isle of Wight Constabulary, the Armed Forces (Army, Navy/Marines, RAF), Military Preparation College & Training as well as other local employers and organisations.

You will have the opportunity to discuss with them the options available to students moving on after school. Our Careers Adviser will also be available to answer any questions you may have about next steps.

These tutor groups will then move to the Auditorium, where all of our Curriculum Leaders will be available to provide important information about their subjects and how best to support students through this crucial year. This will give you the opportunity to speak directly with subject leaders about course requirements, key dates and deadlines, revision expectations and the resources available to support your son/daughter.

Curriculum Leaders will also be able to offer guidance on making progress in their subject and preparing effectively for the final examinations. We hope this will provide a valuable opportunity to ask questions, learn more about the demands of each course and understand how we can work together to support your son/daughter in achieving their best possible outcomes.

Please complete the Google Form [here](#) to indicate your ability to attend.

This will be an important introduction to Year 11 for you and your child, and we urge you to come along.

We look forward to seeing you.

Yours sincerely

Mr A WHITWORTH
Deputy Headteacher
