5th November 2026

Dear Parents and Carers

Remembrance Service – Wednesday 11th November 2026

This week, our assemblies have been helping students to understand the significance of Remembrance Day and why it is so important that we continue to observe it. We have reflected on the sacrifices made by members of the Armed Forces and the many others who have given their lives in the service of others, and on the importance of remembering them with gratitude and respect.

On Sunday, I will be attending Andover's Remembrance parade and service alongside our Head Prefects. I know that many of our students will also be taking part with their various uniformed organisations, and I look forward to seeing them there as we come together as a community to pay our respects.

On Wednesday 11th November, Harrow Way Community School will be holding its annual Remembrance Service. We are proud of the many ways in which our students contribute to their communities, and we are pleased to support them in marking this important occasion. Remembrance gives us an opportunity to reflect on the values of service, courage and sacrifice, and to show our gratitude to all those who have served and continue to serve.

We would like to invite any students who are members of the Police Cadets, Army Cadets, Guides, Scouts, St John's Ambulance or any other uniformed organisation to take part in the service wearing their organisation's uniform.

Students who are part of the Armed Forces Cadets wishing to participate must come to school in their normal school uniform. They should also seek permission from their Squadron or Unit Leader. They will be given the opportunity to change into their organisation's uniform at school at the start of the school day and to change back at the end of the day.

Thank you for supporting this important occasion and encouraging our students to take part with pride, dignity and respect.

Yours faithfully

Mrs D L German
Headteacher
